Information

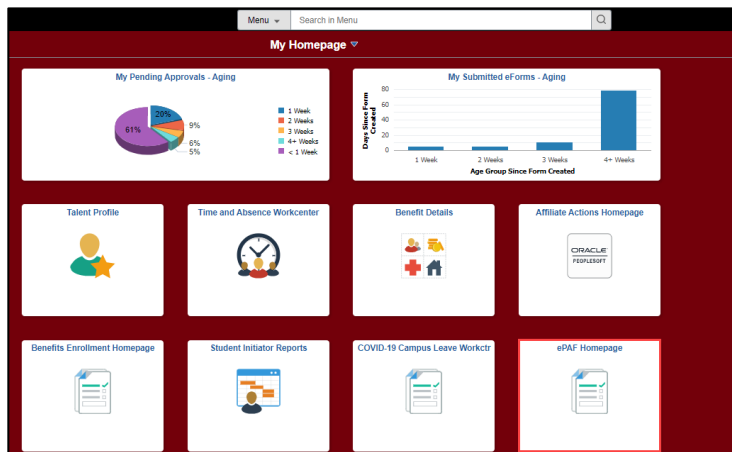

Those with HR Initiator access can take this action for all FTE Faculty across the university system.

The Status Change eForm should be used if the new end-date is less than one month from the current date. If the new end-date is greater than 4 weeks from the current date, initiators should utilize the Summer Job Change eForm to change the end-date. This helps avoid mid-stack errors.

Initiating a Separation for an active summer hire: To initiate a status change eForm for one of your employees, take the following steps:

1. Click the **Employee Self-Service** drop-down menu button.
2. Click the **My Homepage** option in the drop-down.
3. Click the **ePAF Homepage** tile.
