

Proposed Revisions to the *Palmetto College Campuses Faculty Manual*
 Palmetto College Campuses Faculty Senate
 University of South Carolina

Brief Title of Proposed Change	Creating a process for amending common degrees
Committee Proposing Revision	System Affairs
Date of Presentation to Senate	2/16/18
Senate Approval Date	4/13/18

Rationale for Proposed Revisions

- In 2014 after the general AA/AS became common degrees, an amendment to the manual expanded the senate’s authority to review curricula to “include review and approval of any changes to the curriculum requirements for the common degrees awarded by the USC Regional Campuses.” This line appears to give senate unconstrained ability to amend the common AA/AS without input from individual campuses.

Summary of Proposed Revisions

- We propose creating a specific procedure under which amendments to the common degree plans may be amended. Any such amendment should come through system affairs, which is required to solicit and consider feedback from individual campuses prior to any amendment to a common degree.
