ANTHROPOLOGY MAJOR ADVISEMENT WORKSHEET

REMINDERS

1. It is ultimately the responsibility of the student to make sure he/she fulfills the requirements for the degree.
2. During each advisement, the student should fill in the Major Survey form.
3. When the student has only two (2) semesters left before graduation, they must call the office of the Dean (777-2993) and make an appointment for a Senior Check. The Major Program Card (available in the Dept. of Anthropology office) must be completed in advance of the senior check. The student should schedule an appointment with their advisor to fill out the Major Program Card in time to take it to the appointment at the Dean's office.
4. The student must apply for graduation at the Dean's office in the first month of their last semester.

NOTE: The normal course load is 15-18 hours per semester (over 16 hours costs more – per credit hour). To take 19 or more hours, a student must have attained in the previous full semester an average of 3.0 or better on a minimum of 12 hours taken on a non-pass/fail basis. To enroll in Independent Study, a student must have a cumulative GPA of 2.5 or higher and complete an Independent Study Contract (AS-6). No student may apply more than 15 hours of independent study credits toward the degree. Courses taken on a pass/fail basis can only be used as free electives. This option is available only to students with a GPA 2.000 and above and for no more than 8 courses. No grade of D will be permitted to count toward a student's major, minor, or cognate or ENGL 101/102. If necessary, the course must be repeated, raising the number of hours required for graduation. To graduate, the student must have a minimum of 120 applicable hours, meet all course requirements, be in good standing, meet departmental or program requirements, and have a cumulative GPA of at least 2.000 on all work attempted at USC.

COGNATE: A minimum 12 hours in advanced courses (usually 300 or above but see Advising Guidelines for specific departments) in other departments related to and supporting the major. Courses should be junior-senior level **and must be approved in advance by the advisor**. Cognate courses may be taken in one or more departments. All cognate courses must be passed with a grade of C or better.

******MINOR:** A minor consists of 18 hours of prescribed courses, as set out by the department of the minor. The minor is intended to develop a coherent basic preparation in a second area of study. It differs from the cognate in that the courses must be concentrated in one area and follow a structured sequence. Students **must register** their minor with the CAS Advising office (Flinn Hall). Students who wish to use courses in their major department for minor credit must petition the College Committee on Standards and Petitions for permission to do so. No course may satisfy both major and minor requirements. All minor courses must be passed with a grade of C or better.
