Spring 17 PDF Grant Proposal Reviews

- Henry Tran
 - Decided to fund.
- Chris Bogiages
 - Questions were raised about the implementation plan and how the project goals are aligned with the COE strategic plan.
 - Decided to fund along with some clarification.
- Ali Brian
 - Questions were raised about how attending the conference will contribute to her professional development.
 - Clarification will be requested.
 - Group was positive about the proposal. The proposal may be funded partially.
- Smith and Bon
 - Project may be funded partially. Training related costs fits into the professional development category but other research related costs (i.e. travel for data collection, transcription, graduate student work) should be directed to other lines of support.
- Eva Monsma
 - Questions were raised about how the project is related to professional development and how this is different than the previously funded work.
 - Will be asked to revise and submit again in 2 weeks.

Increase submissions for PD grants

- Started to get more proposals
- Think individually about how we can promote submissions and discuss this in the next meeting.

The meeting was adjourned at 12 noon.

Minutes respectfully submitted by Stephen Thompson
