**COURSE PACK:** <https://hbsp.harvard.edu/import/852177> Pls use your KF account to register for HBR, if you haven't done this already.

**COURSE DESCRIPTION:** “Integrating Sustainability” is a one-credit course (1.0 credit), scheduled and offered as a full one day live virtual seminar with pre-work which will explore sustainability strategy adoption and implementation, the challenges and opportunities that such strategy represents, and how managers can launch a successful sustainability strategy and become more effective social change agents. We will use the Roadmap for Integrated Sustainability to understand how to integrate sustainability-related goals and strategies across the organization. The course is supported by pre-work in the form of asynchronous lectures, readings, multimedia case study, simulation, as well as how to guides for managers. The live seminar on August 27<sup>th</sup> will host a range of sustainability professionals from different industries that will discuss their current challenges and solutions in regard to integrating sustainability.

**GRADING**

Pre-work	35%	Case study, readings, lectures, simulation, quizzes
Attendance and Participation	35%	Zoom
Post-work: Individual assignment	30%	1,000 words

*Pre-work (35%)*

You are expected to watch all of the video recordings by the professor and fill out the quizzes in-between. The online simulation that you will do at home as well as the case study are included in pre-work. We will discuss them in the live virtual seminar. Some of the readings are required, while others are optional. I trust you to choose readings that are of interest to you. Also, please share any questions that you might have about any of the

material or outside of what you are given before our sync session. Please use Discussions on Canvas to post questions as well as anything you would like to share before, during and after the live virtual seminar.

Attendance and Participation (35%)

35% of your grade will be based on attendance of and participation in the live virtual seminar on Zoom on August 27<sup>th</sup>, 2021. Attendance will be tracked and displayed in the Canvas course website. Students should keep their audio muted except when speaking, have their cameras on for the duration of the class, be present, participate in polls and breakouts, use the feature “raise your hand” or chat to make a comment or ask a question.

Post-work: Individual assignment (30%)

Write a **case analysis of the firm of your choice**. Identify what the firm is doing to address sustainability and how it fits into the firm’s strategy. Evaluate whether these efforts are integrated into 1) the company’s strategy, 2) operational processes, and 3) culture, and provide a source of 1) innovation, 2) productivity, 3) market differentiation and/or 4) growth. Propose actions that managers of this firm can take to integrate sustainability. To help you evaluate what the firm is doing and how effective it is, you can collect data in the form of sustainability reports, public filings, and ESG ratings. Word limit: 1,000 **Deadline: September 1<sup>st</sup>, 2021**

**COURSE ADMINISTRATION** Please e-mail MBA Online Registrar [onlineMBAregistrar@kenan-flagler.unc.edu](mailto:onlineMBAregistrar@kenan-flagler.unc.edu) for any administrative questions and [olga@unc.edu](mailto:olga@unc.edu) if you have any questions about the content.

Class Material:

An important part of the class material (case study and simulation) is available on [hbr website](#) (this is the course pack listed above). #### HONOR CODE

The University of North Carolina at Chapel Hill has had a student-administered honor system and judicial system for over 100 years. The system is the responsibility of students and is regulated and governed by them, but faculty share the responsibility. If you have questions about your responsibility under the honor code, please bring them to me or consult with the office of the Dean of Students or the *Instrument of Student Judicial Governance*. This document, adopted by the Chancellor, the Faculty Council, and the Student Congress, contains all policies and procedures pertaining to the student honor system. Your full participation and observance of the honor code is expected.
