

ART STUDIO

CERAMICS | DRAWING | PAINTING | GRAPHIC DESIGN | PHOTOGRAPHY | PRINTMAKING | SCULPTURE

As the largest art department in the state, our art studio provides you a wide array of opportunities in concentrations such as ceramics, drawing, painting, graphic design, photography, printmaking, and sculpture.

WHAT TO EXPECT

The Art Studio program offers students the opportunity to choose from two undergraduate degrees: the Bachelor of Arts in Art Studio (B.A.) and the Bachelor of Fine Arts (B.F.A.). The B.A. is a well-rounded liberal arts major that offers a solid foundation in multiple types of art and is ideal for students interested in double majoring. The B.F.A. is a pre-professional degree that allows students to focus in one of our seven concentration areas: ceramics, drawing, graphic design, painting, photography, printmaking or sculpture (3-D studies).
