EDUCATION

- 2021 Ph.D. in Teaching and Learning, University of South Carolina (Columbia, SC)
Focus Area: Undergraduate Mathematics Education
Dissertation: *Planning and Teaching for Student Learning in Mathematics: How Graduate Student Instructors Develop and Implement Instruction*
- 2001 M.M. in Mathematics, University of South Carolina (Columbia, SC)
- 1999 B.A. in Mathematics, Malone College (Canton, OH)

PROFESSIONAL EXPERIENCE

- 2021-Present Research Associate at the Research, Evaluation and Measurement Center
- 2016-2021 Research Assistant at the Research, Evaluation and Measurement Center
- Assist with data collection, analysis and report writing for grant projects
- 2005-Present Mathematics Instructor at University of South Carolina
- Teach and coordinate Mathematics courses for the Opportunity Scholars Program
 - Support first generation college students
- 2010-2016 McNair GRE Tutor for University of South Carolina TRIO
- Prepare students for Quantitative Reasoning section of Graduate Records Exam
- 2012 University Supervisor at University of South Carolina
- Supervise student teachers during internships
- 2011 AP Calculus Exam Reader for ETS
- 2005 Adjunct Mathematics Instructor at Midland's Technical College
- 2001-2005 High School Mathematics Teacher at White Knoll High School
- Taught AP Calculus AB and BC, Calculus CP, Precalculus CP, Math Tech I & II, SAT Prep
 - Coached math team
- 2001 Upward Bound Instructor for University of South Carolina TRIO
- 1999-2001 Graduate Teaching Assistant in Mathematics at University of South Carolina

UNIVERSITY TEACHING EXPERIENCE

- Basic College Mathematics/College Algebra (MATH 111)
- Precalculus (MATH 115)
- Calculus for Business and Social Sciences (MATH 122)
- Calculus I (MATH 141)
- Calculus II (MATH 142)
- Workshop for Calculus II (MATH 152)
- Finite Mathematics (MATH 170)
- Math Concepts for Elementary Teachers I (MATH 221)

- Math Concepts for Elementary Teachers II (MATH 222)
- Conceptual History of Mathematics (MATH 401)
- An Inductive Approach to Geometry (Cotaught MATH 602)

SERVICE

2022-present	Committee member: REM Center Graduate Student Professional Development
2022-present	Course coordinator for Math 170
2022	Dissertation committee member Annabelle Merg, Curriculum and Instruction, University of South Carolina Chair: Leigh D'Amico (Curriculum Studies) Defended dissertation on March 15, 2022
2022	Committee member: planning Mathematics Department Instructor Orientation
2022	Grant reviewer for National Science Foundation (NSF)
2022	Conference proposal reviewer for the Conference of the Association of Mathematics Teacher Educators (AMTE)
2021	Proceedings reviewer for Research Council on Mathematics Learning (RCML)
2020-present	Proceedings reviewer for Research in Undergraduate Mathematics Education (RUME)
2020-present	Co-chair faculty development team for the Opportunity Scholars Program
2020	Veteran TA panelist for Graduate Student Orientation
2020	Faculty caller for Continuing Student Outreach Initiative for College of Arts and Science
2018	Facilitate faculty orientation Session First-Generation College Students: Teaching Strategies for Underrepresented Learners
2016-present	Co-lead faculty session for Opportunity Scholars Program Freshman Orientation
2013-2019	Registration volunteer for AP Calculus Day
2013-2019	Assist with High School Math Contest
2011, 2013	Textbook Selection Committee Member for Math 111 and Math 122
2006-2013	Mathematics Education Committee Member
