

Introduction to Primary Care Ultrasound

Jan. 19-20, 2023 • March 16-17, 2023 • May 18-19, 2023

July 13-14, 2023 • September 21-22, 2023 • November 9-10, 2023

January 18-19, 2024 • March 14-15, 2024 • May 16-17, 2024

This introduction to point of care ultrasound course provides attendees with the skills and confidence in acquisition and interpretation of ultrasound images needed to further integrate ultrasound into their primary care practices. The program is intended for primary care providers with no or minimal experience, or those brushing up on their ultrasound skills.

TARGET AUDIENCE

Attendance is appropriate for physicians, nurse practitioners and physician assistants who work in a primary care, hospitalist, or urgent care setting. No previous ultrasound imaging experience is needed.

COURSE OBJECTIVES

Upon completion of the program, attendees will be able to:

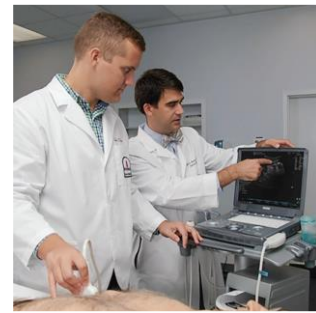

- Discuss physical characteristics of ultrasound and ultrasound machine
- Establish basic skills in the use of laptop and handheld ultrasound units
- Acquire images of the heart including PLAX, Apical 4-chamber, and Subcostal views
- Perform an ultrasound exam of the abdominal aorta with focus on aneurysm detection
- Perform basic musculoskeletal ultrasound scans on large joints
- Perform ultrasound guided procedures (paracentesis, thoracentesis, and central line placement)
- Combine imaging of heart, IVC and lungs as a means to perform a limited cardiopulmonary exam
- Recognize an abscess on soft tissue ultrasound
- Perform a two zone exam for deep venous thrombosis
- Perform basic scans of the liver, gallbladder, kidneys, and urinary bladder

CONTINUING MEDICAL EDUCATION

The University of South Carolina School of Medicine – Prisma Health – Midlands Continuing Medical Education Organization is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of South Carolina School of Medicine – Prisma Health – Midlands Continuing Medical Education Organization designates this live activity for a maximum of 15.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
